HANDMADE & TRADITIONAL

We are an enamel manufacturer based in Poland specialized in delivering high-quality enamelware and enamel signs to any customer around the world. We are able to offer rare shapes, some of which have been designed and produced over 100 years ago. The production technology has not changed much since then. We are cultivating the heritage of the great art of enameling and are proud to offer premium quality products to our clients.

A custom fridge magnet is a great surface not only for your logo or brand name, but also for more specific information. Maybe you'd like to share your catchy slogan or some educational info? The surface is all yours to design.

A wide range of shapes and sizes of enamel signs is just enough to fit pretty much anything you would like to present about your brand. Colorful, simple, classic and most importantly: custom-made.

Our experience has led us to form two very popular shapes and sizes of enamel keyring. With 14 colors available, you can create a number of unique and stylish keyrings for every type of brand.

That's what custom enamel magnets, signs and keyrings are all abou t.
