SUCCESS CREATORS

Emalco Enamelware is a family-owned company that combines a 100 years old tradition with modern quality and safety standards.

'Preserving and cultivating enamelling tradition is our great passion.'

Anna and Waldemar Brzozowski, Emalco Enamelware owners

OFFER

Original collections

consisting of mugs, plates, bowls, suacepans and soy candles.

Custom offer

Each production stage is **handcrafted**. On top of that, Enmalco offers wide customization possibilities. The customer chooses the colors for each part of the dish as well as the artwork and its' placement.

Enmalco is not afraid of producing out-of-the-box designs.
