We are an enamel manufacturer based in Poland specialized in handmade enamelware and enamel signs. We deliver high-quality enamel goods to any customer around the world. We are able to offer rare shapes, some of which have been designed and produced over 100 years ago. The production technology has not changed much since then. Each production stage is handcrafted. The customer chooses the colors for each part of the dish as well as the artwork and its' placement. We are cultivating the heritage of the great art of enameling and are proud to offer premium quality products to our clients.

## STANDARD PACKAGING

FREE OF CHARGE

If you won't decide on any form of premium packaging, we will pack your enamelware in a standard, safe bulk packaging, each product wrapped individually in craft paper.

To submit your order, please contact us at [emalco@emalco.com](mailto:emalco@emalco.com) and attach the following information:

1. Your **design** - please use our dielines from the presentation to create it. If you need any help in the designing process, feel free to email us. Save the graphics as a vector in .pdf, .eps or .ai file.  
Please use colors from the dieline only.
2. Your **order details** should contain:
  - Shape (e.g. mug, plate, bowl etc.)
  - Size (e.g. 8cm etc.)
  - Quantity (min. 200 - for kitchenware, min 100 - for signs)
  - Packaging option and stickers information\*

If your design is not ready yet, please attach the information about placement and quantity of graphics that you would like on your dish.

The production time is dependent on the season. If you're planning to have your mugs done for some special occasion (e.g. Christmas) it will be safe to contact us a quarter earlier. Otherwise, the standard lead time is usually 7-10 weeks. The lead time for signs is 4 weeks.
