STANDARD LABEL PLACEMENT

SIDE

TOP

If you would like the label placed elsewhere,
contact our sales team.

When designing the label, leave 5 mm / 0.2 in on each side.
For more details, contact your sales assistant.

To submit your order, please contact us at emalco@emalco.com and attach the following information:

1. Your **design** - please use our dielines from the presentation to create it. If you need any help in the designing process, feel free to email us. Save the graphics as a vector in .pdf, .eps or .ai file. Please use colors from the dieline only.
2. Your **order details** should contain:
 - Type of mug from the dielines
 - Quantity (min. 200)
 - Packaging option and label information

If your design is not yet ready, please attach information about the placement and quantity of graphics that you would like on your mug.

Production time is dependent on the season. If you plan to have your mugs done for a special occasion (e.g. Christmas) please contact us 2-3 months earlier. Otherwise, the standard lead time is usually **3-5 weeks**.
